ABOUT THE STORE

The sounds of the ocean, the smell of salt in the air, and the feeling of warm sand on your toes. This is a surreal experience everyone should seek.

Engage the Wave is a local one-stop surf shop dedicated to producing an amped retail experience for all beachgoers and surfers.

We began serving the San Luis Obispo community in January 2021, and with a hang-loose mission, we are here to make a radical impact.

BEACH STYLE

// Engage the Wave always has the latest fashion trends, and the store is always filled with cowabunga energy. //
